On behalf of the Saugeen Memorial Hospital Foundation, please find enclosed your receipt for your donation in 2015 where a receipt wasn't previously issued. It has been such an exciting year and 2016 promises to be even better. Construction on the new Emergency Room and Lab in Southampton will be starting in the spring. The new Oncology Suite in Owen Sound is opening soon and, of course, we have our new CT Scanner in Owen Sound working well to help diagnose patients in Saugeen Shores! On top of this, your donor dollars have also purchased almost \$300,000 worth of equipment to help patients on a day to day basis! Like the new Airvo Opti-Flow that helps patients breath when they have lung issues and many other pieces of equipment too! Please enjoy reading through this newsletter and, should you have any questions, please do not hesitate to contact us.

Ask your financial advisor how charitable giving can help reduce your tax bill!

Thank you so much for being such major supporters! We would also like to acknowledge the many families who give so generously out of their household budgets and the many volunteers who help all year long!

Planned Gifting

One significant way people give to the Foundation is through a gift in their will. Recently, a gift from the Guy and Josephine Bevan Foundation paved the way and made a very important contribution to the new Emergency Room and Laboratory Expansion at the Southampton Hospital. Donations to charities can reduce taxes on your estate and can be given as a percentage (e.g. 1 to 100%) or a specific amount to the Foundation. For more information, please call 519-797-3230, ext. 3230, or speak with your lawyer and financial advisor.

- Construction of the new Emergency/Laboratory Expansion in Southamptom will begin in the Spring of 2016!
- The new Radiological Interventional Suite is open.
- The new CT Scanner in Owen Sound is open.
- The new Oncology Suite in Owen Sound will be open soon!
- We have received \$2.3 Million in cash donations against our target.

• Internal shuffling of departments is beginning in preparation for the build. The Foundation office will be moving downstairs beside the registration desk. The lab areas will be moving into the physio area and the physio area is moving into the current Foundation office!

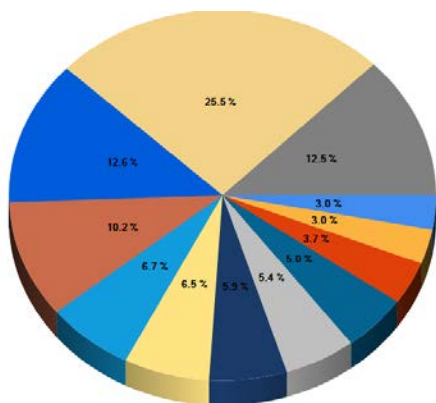

• **Donations are still needed to ensure that the target is reached. Visit www.hospitalcampaign.ca or our website at www.smhfoundation.ca or call 519-797-3230, ext. 3230. Many, many thanks to all who have donated to date!**

Light the Way donations have topped \$100,000 this year!

These dollars will ensure that we can purchase much needed equipment for patient care, like a new holmium laser to blast kidney stones!

The best!

- The dedicated staff at the Southamptom Hospital are here to serve all patients regardless of weather. They are here 24/7. When we are safe sleeping in our beds, they are here working to take care of those in need. They are awesome!

Please support the following coming events!

Hospital Auxiliary Valentine's Day Tea—February 6

This delightful afternoon of tea and cakes will be held at St. Paul's Anglican Church in Southamptom. Cost is \$6.00 per person and the tea takes place from 2 pm to 4 pm.

FUNattack—April 2 A fun fitness-a-thon to raise money for hospital equipment. Sponsored by Fitness Funatics. Pledge forms available at Fitness Funatics and on-line at smhfoundation.ca. Funds raised by this event will go towards purchasing a pediatric crash cart for the Southamptom Hospital.

Saving Dollars to Maximize Donations

With the substantial increase in postage costs, the Foundation implemented an annual receipting process. This means your receipts are being sent out at the end of January for contributions received in the previous calendar year. Would you be interested in receiving e-mail receipts in the future? If so, please provide us with your e-mail address by e-mailing us at info@smhfoundation.ca.
